THE KINGS

CHOICES 1

The Bible is a priceless treasure given to us by God. It contains 66 different books, 39 found in The Old Testament and 27 in the New. Although the words of Scripture were written by the hands of various individuals, God is really The Author. Most of us are familiar with 2Timothy 3:16, "All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness. This lesson will concentrate on the next verse "that the man of God may be adequate, equipped for every good work." In other words, The Bible is our handbook for success in life. God never forces us to obey Him. He states the rules and allows us to make our choices. Let's see how that works out. Turn to Genesis 2.
