DAVID

DAVID : Lesson 123:

Bathsheba and Nathan the Prophet have made David aware of Adonijah's plan to make himself Israel's third king. David knows his life is almost over and that God has chosen Solomon to succeed him. Did God really want Israel to be ruled by human kings? Was that His perfect plan? What problems have the first two kings, Saul and David produced for The Chosen People. We begin today in 1 Samuel 8.
