Lesson 18: Pharaoh was very interested to see if Moses and Aaron's God could work miracles. Aaron threw his staff down and it became a serpent. This miracle was reproduced by the Egyptian sorcerers and magicians. Then Aaron's staff swallowed up all of the other staffs. Next, God commanded the Nile and all of its tributaries to become blood. All of the fish died and the water became so foul the Egyptians could not drink it. We continue today in Exodus chapter 7.
