MOSES

LESSON 83: The saying goes “a nation is not greater than its leaders”.

Moses was one of Israel’s greatest, if not the greatest leader of all. His life taught the people how a godly man lives. He feared The Lord, he obeyed The Lord, he sought to be a servant to all, he was extremely humble and was a man of prayer. He loved God with all his heart, soul, mind and strength. Unfortunately, Israel did not reflect her glorious leader. The people whined, grumbled and complained from the moment they left Egypt. Ministering to this ungrateful faithless group eventually effected Moses. Our story continues in Numbers 11.
