THE KINGS

REVIEW 2: (FALL 2020)

As we learned in our last lesson, God created man in His own image. God allowed Adam and Eve to make their own choices. They were given one commandment, a conscience, an ideal living situation and daily fellowship with God. When their love and commitment to God was tested, they failed the test. Everything in Creation was negatively affected by their sin. In fact, we can't ever imagine what life would be like not having to deal with aging, sickness, death, crime, pollution, terrorism, dysfunctional marriages and families. Their sin also resulted in alienation from God. We continue today in Genesis 3.
